

Milford Library Foundation Donation Letter

milibvolunteers@gmail.com

The Friends of The Milford Library Foundation is a non-profit organization that helps support the Milford Memorial Library through volunteering and financial assistance. The work that the Friends of the Milford Library Foundation does provides essential services, programming and helps the Milford Library serve our area residents.

In 2021 the Milford Library Foundation supported programs such as Lessons of the Holocaust, Lincoln on the Gettysburg Address, TACES Buseum, Mysterious Creatures of the Midwest, and the Young Adult Summer Reading Program. They also supported a hotspot to be checked out at the library and the Bookpage publication which is free to patrons.

We hope that as we move into 2022 you will continue to show your support for all we strive to do by considering a gift (either monetary or your time) to the Milford Library Foundation.

Those who donate time or funds to the Foundation will be added to the mailing list for our quarterly newsletter, a publication giving all the current news and behind-the-scenes information for the library. Please check how you would like to receive your newsletter. Newsletters can also be found on the library website.

Please accept our sincere thanks for your support.

The Friends of the Milford Library Foundation
